Applications:

KEEWO Venetian Window Blinds provide an affordable yet stylish way to add privacy to any room. They are made of high quality aluminum alloy that is designed to be durable and last for years. With three levels of privacy available (High, Medium and Low), you can easily customize your window to match the level of privacy you need. KEEWO Venetian Window Blinds also offer UV protection to help protect your home from the sun's rays. And, with both inside and outside mount installation options, you can easily choose the perfect window blinds for your home.

KEEWO Venetian Window Blinds are also available as motorized blinds that can be easily operated by remote control. This allows you to open and close your blinds with ease, even when you're on the other side of the room. Plus, the motorized blinds come with a range of affordable to expensive price options, so you can choose the perfect blinds for your budget.

Whether you're looking for traditional Venetian blinds, or motorized blinds, KEEWO has the perfect window blinds for your home. With a minimum order quantity of 1m², you can easily find the perfect blinds to fit your window size. And, with their high quality and durability, you know you're getting the best window blinds available.
